Save time and money paying your PDA invoices with our online Payment Portal. With the Payment Portal, you can pay invoices online directly from your bank account through electronic check processing.

## **IT'S SIMPLE.**

View and pay your outstanding invoices through our PDA Client Portal, or click the link on your invoice to make a payment — no login required. Every PDA invoice now links to the payment portal, where you can pay individual or bulk invoices.

## **IT'S FAST.**

Electronic payments can save you time and money by eliminating the hassle of sending physical checks and the fees associated with credit card payments. And, your payments are processed in real time.

## **IT'S SECURE.**

Protecting your payment information is our top priority. Our eCheck system is PCI-compliant, so payment data is processed securely and never stored in PDA's systems.

## THE PDA ADVANTAGE
